Approved For Retease 2003/06/20 : CIA-RDP86-01019R000100240013-5

12 December 1973

Mr. David S. Erandwein, Director, OWI

I feel that recommendation a. is the least desirable, and, in the light of the OJCS comment, its cost may well be underestimated. I think that management needs to bite the bullet and go in for a separate computer building.
